

Carrboro Community Garden at MLK, Jr. Park

Grow Your Own Fruits and Vegetables!

Located within Carrboro's Martin Luther King, Jr. Park on Hillsborough Rd., this is a community garden open to anyone interested in growing food in an environmentally sustainable way. Please join us as we strive to create a fun and friendly community experience centered around the shared production of all-organic fresh fruits and vegetables.

We welcome you whether you're new to the gardening world or have decades of experience to offer. The garden is open to young and old alike (though we do ask that young children be supervised), and we are always excited to have people in need of community service hours or service learning hours.

The harvest is shared by everyone who donates time (there are no individual plots), whether that time is spent watering, weeding, mulching, planting, harvesting, or chasing the occasional rabbit back through the fence. If you can't stay for an entire work day that's ok - we're happy to have you for thirty minutes or three hours!

Please stop by during one of our work days (see side bar) for a garden tour and more information. Or you can send an email through our listserv: ccgc@lists.riseup.net. See you in the garden!

Join Us in the Garden!

Workdays and hours are subject to change based on weather, holidays, etc. Please join the listserv to stay up-to-date!

Saturdays

Summer: 8am - 12pm

Winter: 9am - 12pm
